

HONDA APPROVES CTR®9

Car-O-Liner is happy to announce that the CTR®9 Resistance Spot Welder has been approved by Honda Motor Europe.

Honda Motor Europe Ltd. is now recommending the CTR9 spot welder as it meets the requirements set by Honda in 2019 for spot welding Ultra High-strength steel parts.

See the CTR9 video here >>

TECHNOLOGY FOR GREATER WORKING RANGE

The **CTR9** fully automatic welder comes with a new, revolutionized light-weight transformer gun. With its 355° swivel handle and ergo-grip, it enables perfect working positions for anyone, for any job. The gun is supported by a telescopic arm in a durable and lightweight extruded

aluminum that can be easily adjusted both vertically and horizontally. A compact power unit with a low center of gravity gives mobility and stability, a 16,000-amp transformer and CANBUS communication ensure a perfect weld every time.
